We have thus given our action the aspect of had adopted the amendment, the real force under which we have acted would have appeared more plainly, and we think more to our honor. We the profession of law. We regret this Radicals, and now have lighted on believe the infamous amendment will determination of the gallant Colonel, their feet in soft places under GRANT's be illegally adopted, and be forced by but hope he may be successful in protecting care. The Colonel gets a Congress on the country. We do not, reaping both honor, fame and fortune Marshalship, or something of the sort, however, even now, accept it as inevitable any more than we admit it to severance, energy and talents. be legal. And we trust its adoption will be only temporary, and that it Ir is rumored that the programme that harmless, inoffensive sort while try grows same. We abhor that the appointment of his successor, has iments in the war, and did the "rough gacity, or consistency of the two jour- ranks-and so might a worse one. nals, the game is not worth the candle. The public has more interest in our

the "sacred school fund" to their Lynchburg, Va. His friends are not we congratulate the State that, as local trust was remarkable, and, under the sanguine of his recovery. We hope office-holders, the Earons are no more, trying circumstances, most extraordi- otherwise, and that the Doctor will nary. When humane men would yet triumph over SMITH, who usurps give their last dollar to the suffering a seat he is unworthy to fill and that soldiery, and take the shoes from their he occupies in opposition to the daily the lagoon known as Cairo, and while leet and the costs from their backs to protest of the people of West Tennesrelieve their distress, was not a time | see. when so severe a guard of a public treasure of any character was to have THE Philadelphia Age says: "Over Tennessee while yet crushed beneath Shown in This Market see, thus refers to this matter:

"On the approach of the Federal forces to Nashville in '61, those having and more despicate. Her currency depreciated to utter worthlessness. Her armies needed supplies, her soiders, half-starved and half-chad, laid themselves upon the cold earth without blankets to protect them from the pitless storm; and thousands made long and wearisome marches over frozen ground with bare feet. Never frozen ground with bare feet. Never before was a belligerent power in such need of money to uphold a cause for which it was struggling - Such is the explanation of the action ition, provisions, clothing, and tion of suffrage. pay off the soldlery. Under all these sadvantages the Confederates fought for her existence against an army, the \$600,000 in specie, of the school fund, of the war; with wives, helpless chilrelieved, scrupulously guarded that fund—the cries even of the famishing child could not reach it—it was the "sacred school fund." Those men gold."

Twenty-five thousand dollars in green-backs for one hundred thousand in gold."

nexed to the United States, and complete the comp who carried it from Nashville, though

rebels devoid of every principle of honor.

The war closed. Peace and quiet were restored. The school fund that had been declared to be "too sacred" had been declared to be "too sacred" had been declared even temporarily, to ever be diverted even temporarily, oily and couning, or any contingency, to any other purpose of the county. Democrats cannot be too vigilant, they cannot be too vigilant, they cannot be too wide awake, nor too closely united. Radicalism is yet on its legs—willy, of any contingency, to any other purpose of the county. Democrats cannot be too vigilant, they cannot be too wide awake, nor too closely united. Radicalism is yet on its legs—willy, of any contingency, to any other purpose of the county. Democrats cannot be too vigilant, they cann
